

AMOGH

ANANYA PRODUCTS

AMOGH

- ❖ We are a charitable foundation aiming to provide appropriate support to different segments of our society, especially in the area of dignified living, life skills and work skills acquisition
- ❖ Our mission is to fulfil the aspirations of the Differently Abled and empower them to be self reliant and enterprising

AMOGH

THE PROBLEM

Children with special needs go to Special Schools for their early interventions, therapies and academics. After they turn 18 years they become an adult. They look for facilities where they can continue their learnings. They need a skill development program.

OUR SOLUTION

Amogh realized this need for Adults with Intellectual Disability. We focus our attention on children with special needs who have completed 18 years of age and have moved beyond the portals of the schools which had supported their education till then. We are offering Starting from Basic Computer literacy, to various skill development program. We have provided sheltered work space where these students work and earn.

AMOGH – ANANYA PRODUCTS

- ❖ Ananya products are the outcome of untapped skills of Amogh students through activities that cater to their unique skills and interests
- ❖ They are made by the deft hands of young adults with Intellectual Disability
- ❖ The sale proceeds of all these products will impact 35 students of Amogh
